About Potomac Healthcare Solutions:
Potomac Healthcare Solutions is an award-winning, dynamic, and rapidly growing healthcare services company with a proven background in providing world-class health services for both government and commercial organizations. We are actively recruiting skilled, caring practitioners to support our rapidly growing program base and supported healthcare facilities. If you would like to be a part of a quality-driven organization and make a difference, we would like to talk to you!

About the Position:
The Social Worker will coordinate appropriate referrals to the community and other Government agencies for services. Additionally, this position supports initiatives for the Medical Group of the Air Force Tyndall AFB.

Duties may include but are not limited to:

- Assess the psychosocial functioning and needs of patients and their family members and formulate and implement a treatment plan. Identify the patient’s problems, strengths, weaknesses, coping skills and assistance needed, in collaborations with the patient, family and interdisciplinary treatment team.
- Conduct psychosocial assessments and provide psychosocial treatment to a wide variety of individuals from various socio-economic, cultural, ethnic, educational and other diverse backgrounds.
- Use medical and mental health diagnoses, disabilities and treatment procedures. This includes acute, chronic and traumatic illnesses/injuries, common medications and their effects/side effects.
- Implement treatment modalities in working with individuals, families and groups who are experiencing a variety of psychiatric, medical and social problems to achieve treatment goals.
- Provide counseling and/or psychotherapy services to individuals, groups, couples, and families. Must practice within the bounds of the license or certification.
- Provide consultation services to other staff about the psychosocial needs of patients and the impact of psychosocial problems on health care and compliance with treatment.
- Other duties required by the task order.

Required Education and Experience:
- Master’s Degree in Social Work (MSW).
- Graduate from a School or Social Work fully accredited by the Council on Social Work Education (CSWE).
- As required to meet clinical competency requirements specified in the Service-specific credentialing instructions.
• Must be a US Citizen.
