

Advanced Standing MSW/MPA  
Full Time Tallahassee Only

For students who qualify for advanced-standing MSW admission to social work, the MSW/MPA program requires 60 hours of course work. Students must choose the Social Policy and Administration (SPA) MSW concentration for social work courses. Students must also choose a specialization area for their public administration course work. Each student must complete a final applied public policy research paper as well as a social work internship. Please remember that this application will require additional materials and supporting documents. Information outlining these requirements can be found at <http://askew.fsu.edu/prospective/mpa/admissions.html>
