RESEARCH EXPERIENCE

Research Technician

June 2019 – Current

Institute for Justice Research and Development – Tallahassee, Florida

Assists research staff with dissemination of research findings to advocates, professionals, and policymakers. Works on tasks by providing applied research project designs and implementation expertise.

PROFESSIONAL EXPERIENCE

Clinical Support Specialist (Social Work Intern)

May 2020 – July 2020

Institute for Justice Research and Development – Tallahassee, Florida

Provided participants in research study with clinical services, such as STAIR sessions via telehealth appointments. In addition, assisted in conducting research around mental health practices for disciplines that are not directly trained in clinical approaches through their work with those who have experienced incarceration.

Therapist Assistant**Sept. 2018 – June 2019**

Canopy Cove: Residential Eating Disorder Treatment Center – Tallahassee, Florida

Encouraged residents to pursue a healthy lifestyle by keeping a positive relationship with food and self-image. Conducted room searches, partook in meals to redirect ritualistic behaviors, and responded to crisis management. Maintained guidelines for clinical confidentiality in order to assist therapists and protect patients' rights and privacy.

Social Work Intern**Aug. 2017 – May 2018**

Royal Palm Middle School - Phoenix, Arizona

Created goals with over forty students ranging from sixth to eighth grade to succeed and sustain a healthy balance between home, school, and extracurricular activities, while emphasizing confidentiality. Utilized motivational interviewing to encourage over thirty students to improve class attendance and overall grades. Worked cohesively with outside agencies and resources within the community to better serve students and their families based on their needs, such as insurance, counseling services, and advocacy.
