

CSW SCHOLARSHIPS PROCESS

1

SUBMIT YOUR APPLICATION ON FS4U

- You **MUST** submit the General Application **and** the College of Social Work Application.
- Your application is for awards for the following Fall semester. For example: if you apply in Spring 2023, the scholarship will be for Fall 2023.
- You do not need to select specific scholarships to apply for. By submitting the CSW Scholarship Application, FS4U will match you to CSW scholarships you qualify for.

- The scholarship application window is **January 1 - February 28**
- No applications are accepted after February 28.
