- Serve on hiring committee of FSU BehavioralHealth staff including licensed therapists, Advanced Registered Nurse Practitioners, and office staff.
- Responsible for training and providing mentorship to new therapists joining the practice.

- Assist in administrative tasks including monitoring of provider caseloads, completing discharges and transfers, assisting in crises situations, collaborating with partnering agencies, serving as interviewee for Joint Commission and other auditing entities.
- Engage in related teaching activities within the College of Social Work.
- Serve as therapist on research trial being conducted through FSU Neuromodulation studying efficacy of Cognitive Processing Therapy and Transcranial Magnetic Stimulation for treatment of PTSD in Veterans.
- Create, update, and implement policies and procedures focused on improving quality of care for clients.

**Georgia Pines Community Service Board, Thomasville, GA**

2014– 2020

*Thomas County Team Leader and Internship Coordinator (2018 – 2020)*

- Supervised day-to-day activities of assessors, therapists, and case managers in an outpatient setting working with children and adults.
- Provided consultation to clinicians and completed 1013s and crisis intervention for individuals and families in need.
- Developed policies and procedures for Internship Program.
- Interviewed, trained, supervised, and oversaw all activities of Bachelor and Master level Social Work, Mental Health Counseling, Professional Counseling, and Marriage and Family interns from multiple schools.
- Maintained a caseload of individual therapy clients.
- Provided licensure supervision for clinicians seeking licensure in Georgia.
- Provided trainings in assessment, therapy interventions, ethics, and documentation to staff throughout the agency.
- Reviewed clinical documentation for outpatient staff and interns and assisted in monthly audits of clinicians.
- Collaborated with agency committees to review and implement policies and procedures based on Joint Commission standards.
- Established Thomas County clothing closet and food pantry for individuals served through Georgia Pines.
- Provided trainings within the community on mental health, substance use, and developmental disabilities.
- Collaborated with local jails to provide mental health assessments and psychiatric services to individuals currently incarcerated and recently released.
- Partnered with local primary health care providers to provide comprehensive and wholistic care to individuals in the community.

*Treatment Provider, South Georgia Judicial Circuit Accountability Court Programs in Cairo and Pelham, GA (2016 – 2018)*

- Developed therapeutic treatment manual and policies and procedures for two Accountability Courts in South Georgia, ensuring compliance with Accountability Court standards.
- Assisted in expansion of Accountability Court program into a third county.
- Screened individuals' risk of recidivism, criminogenic needs, and eligibility for program in correctional facilities.
- Completed behavioral health and substance use assessments.
- Provided individual therapy to clients with substance use and mental health disorders that were mandated for treatment.
- Facilitated group therapy utilizing programs including Moral Reconnection Therapy, Cognitive Behavioral Intervention for Substance Abuse, Thinking for a Change, and The Matrix System.
- Collaborated with a multidisciplinary team consisting of Superior Court Judge, attorneys, and probation officers.
- Attended biweekly court sessions and made treatment recommendations to the Judge.
- Assisted in grant applications and renewal of accountability court certifications.
- Conducted supervised drug screens for individuals in the program.

*Assessor & Therapist (2015 – 2016)*

- Conducted biopsychosocial assessments and provided diagnostic impressions for individuals with mental illness, substance use disorders, and developmental disabilities.
- Provided individual therapy to adults and children.
- Facilitated a weekly anger management group for adults.
- Collaborated with clients to create and update individualized treatment plans.
- Provided crisis intervention to individuals in need.
- Assisted in training and supervising master's level interns.
- Presented mental health information to law enforcement through NAMI's Crisis Intervention Team.

*Social Work Intern (2014)*

- Completed behavioral health assessments for individuals and families.
- Provided individual therapy to children and adults.
- Co-facilitated a health and wellness group for adults with depression and anxiety.
- Created a comprehensive resource manual for community resources within the region.

**Georgia State University Center of Excellence for Children's Behavioral Health**

2018

Atlanta, GA (remote position)

*Senior Training Specialist*

- Employed through short-term grant as part of the Georgia Beck Initiative in partnership with the Aaron T. Beck Psychopathology Research Center of the University of Pennsylvania and the Georgia Department of Behavioral Health and Developmental Disabilities. Continued employment through Georgia Pines CSB as a therapist during this time.
- Provided five-day certification trainings, recertification trainings, and sustainability webinars in Recovery Oriented Cognitive Therapy for Schizophrenia (CT-R) to mental health providers throughout the state of Georgia.
- Conducted weekly consultation calls throughout six-month certification process to discuss cases and treatment of schizophrenia and related disorders.
- Completed site-visits to demonstrate CT-R techniques with trainees' clients.
- Listened to audio recordings of clinicians' therapy sessions and rated competency using the Cognitive Therapy Rating Scale.
- Assisted in expanding CT-R trainings to clinicians working with children, adolescents, and young adults in both inpatient and intensive outpatient settings.
- Collaborated on development of CT-R certification for Certified Peer Specialists.

**Apalachee Center Inc., Florida Assertive Community Treatment Team, Tallahassee, FL**
