APPLICATION DEADLINE, REVIEW, AND ADMISSION DECISION

The College of Social Work's Doctoral Program Committee review only completed application files that meet the minimum admission requirements. Incomplete applications will not be reviewed. All portions of the application must be completed by January 15. Applicants are notified electronically of the admissions decision by the Doctoral Program Director.

Priority Admission Deadline:

The Florida State University College of Social Work is pleased to offer a priority admission deadline for individuals who are wishing to receive earlier admissions consideration to the Doctoral Program.

Individuals who submit the application and all supplemental materials by November 1st, are eligible to be reviewed by the Doctoral Program Committee earlier and potentially receive an admissions decision by December 1st. This can be to a highly qualified applicant's benefit if also seeking application to additional Florida State University funding opportunities (<https://www.gradschool.fsu.edu/funding-awards>), which often note early application deadlines. Applicants will be eligible for an early decision if all application materials are submitted by the priority admission deadline, and the College of Social Work believes the individual may be competitive for University fellowships and grants. If an applicant is not selected for priority admission, their application will be included with all remaining applicants to be reviewed after the general admission deadline of January 15th.

Deadlines:

Priority Admission: November 1, 2020

General Admission: January 15, 2021

TRANSFER CREDITS

Transfer credit decisions will depend on when the course work was completed and on its relevance to the student's doctoral program in social work. Transfer credit will not be given for courses completed in receipt of another degree. A maximum of 12 graduate credit hours may be transferred from an accredited institution or program. Only those credit hours that resulted in a grade of "B" or better will be considered. The Doctoral Program Director and the FSU Office of Records and Registration will be responsible for determining whether the credit hours can be transferred.
