

SOCIAL LEADERSHIP PATHWAY

SOW 5535 - 12 Credit Hours

Course Description

This course is taken in the final semester(s) of the student's program. Prior to enrolling in SOW 5535, the student must have satisfactorily completed all prerequisites for this concentration, which includes all of the academic requirements for the degree with the exception of SOW 5535 (Field Education II) and SOW 5369 (Integrative Seminar) that must be taken concurrently.

The following objectives describe the expectations for advanced social policy and administration knowledge, values, and skills that students are expected to demonstrate at the completion of their field education experience. These students will gain an understanding of the roles of these professional social workers, which include, but are not limited to, the following: policy analysis; policy advocate; social planner; agency administrator; supervisor. Student competencies are built upon the academic preparation and field education during the foundation year for two-year students and during the Bachelors' degree program for advanced standing graduate students.

Council on Social Work Education (EPAS 2015) Social Work Competencies assessed in this course include:

Competency 1: Demonstrate Ethical and Professional Behavior

Competency 2: Engage Diversity and Difference in Practice

Competency 3: Advance Human Rights and Social, Economic, and Environmental Justice

Competency 4: Engage in Practice-informed Research and Research-informed Practice

Competency 5: Engage in Policy Practice

Competency 6: Engage with Individuals, Families, Groups, Organizations, and Communities

Competency 7: Assess Individuals, Families, Groups, Organizations, and Communities

Competency 8: Intervene with Individuals, Families, Groups, Organizations, and Communities

Competency 9: Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities
