

## “Social Work Alumni Group”

### Mission Statement

The College of Social Work seeks to increase involvement in College events, outreach and development initiatives. The Social Work Alumni Group (SWAG) represents BSW, MSW and Ph.D. alumni, along with practitioners, clinicians, and advocates who are committed to making a difference in the lives of others.

The Social Work Alumni Group seeks to connect members at the local and national level to College initiatives. The group also brings together people of all ages who uphold and represent the mission and needs of the College, corresponding institutes and centers for fundraising and collegiate programs. This group will be able to work with the College providing insights and input into alumni needs and initiatives.

The Social Work Alumni Group in partnership with the Alumni Association at Florida State University seeks to engage alumni of all disciplines with the initiatives of the group. This partnership will be a mutually beneficial relationship to exchange overall alumni needs and goals while serving a specific alumni population.
