

PRESENTERS AND FACILITATORS CONTINUED

Rick Kearney

Chairman and Founder, Mainline Information Systems, Inc.

Mr. Kearney founded Mainline Information Systems, Inc. an IT solutions company based in Tallahassee, Florida. He is also an entrepreneur and philanthropist active in community engagement, helping to found The Kearney Center, Good News Outreach, Westgate Community and Renaissance Community Center.

Jacquelyn McMillan, PhD, MSW, LCSW

Assistant Professor, Department of Social Work, Florida A&M University

Dr. McMillan focuses on therapeutic interventions for children and adults with mental health issues; research on enhanced scale development to assess emotional and behavioral tendencies in children and adolescents; and student social work research development and dissemination. Dr. McMillan has over 25 years of experience working with youth, adolescents, and young adults. She is a member of the Florida Higher Education Substance Use Consortium.

Ellen Piekalkiewicz, MA

Director, FSU Center for the Study and Promotion of Communities, Families, and Children, College of Social Work, Florida State University

Ms. Piekalkiewicz is an experienced expert in non-profit leadership with more than thirty years experience in public policy, legislative and governmental affairs and disability rights. She served as the executive director for United Partners for Human Services as well as director of an advisory council to Florida's governor and legislature. She also consulted for numerous statewide organizations, local nonprofits and federal agencies. She is a member of the Florida Higher Education Substance Use Consortium.

Craig Stanley, PhD, MSW, LCSW

Academic Dean, Teaching Professor, College of Social Work, Florida State University

Dr. Stanley is the dean for academic affairs at the FSU College of Social Work. His research interests include mental health, substance use and misuse, social work education and online education. He is a member of the Florida Higher Education Substance Use Consortium.

Jennifer Travieso

Director of Adult Services, DISC Village

Ms. Travieso has a background in child welfare, substance use, mental health, and trauma informed care. She is a certified crisis intervention trainer and facilitates the Trauma Informed Care Work Group with Peace4theBigBend, which works toward building a trauma-informed, resilient community. She leads her team at DISC Village by empowering, teaching and building their resilience skills to better assist the communities and families they serve.

Almut Winterstein, RPh, PhD, FISPE

Distinguished Professor and Chair, Department of Pharmaceutical Outcomes and Policy, College of Pharmacy, University of Florida; Director, Consortium for Medical Marijuana Clinical Outcomes

Dr. Winterstein's research is centered on post-marketing evaluation of drugs in pediatric and perinatal care, infection disease and psychiatry and the evaluation and improvement of quality surrounding medication use using real-world data. An expert in drug safety, she chaired the Food and Drug Administration and Risk Management Advisory Council from 2012–18.

KEYNOTE SPEAKER

Amy S. B. Bohnert, PhD, MHS

Associate Professor, Research Investigator, The Center for Clinical Management Research, Department of Veterans Affairs, University of Michigan

Dr. Bohnert is a health services researcher and clinical epidemiologist who focuses her research on pain, substance use and mental health conditions. She has led several projects related to overdose and prescription drug safety and seeks to improve access and quality of care. Dr. Bohnert earned her Ph.D. in Public Health at Johns Hopkins University and completed her postdoctoral fellowship with the Department of Veterans Affairs, National Serious Mental Illness Treatment Research and Evaluation Center in Ann Arbor, MI.

PRESENTERS AND FACILITATORS

Jim Clark, PhD, LCSW

Dean and Professor, College of Social Work, Florida State University

Dean Clark is the dean and professor of the FSU College of Social Work. Since 1991, his research has focused on: subjective experiences research, therapeutic jurisprudence and forensic mental health, trauma-informed translational research, knowledge and ethics. He is a member of the Florida Higher Education Substance Use Consortium.

Jane Dwyer Lee, MSW, LCSW

Teaching Professor, College of Social Work, Florida State University

Ms. Dwyer Lee is a licensed clinical social worker and teaching professor at the FSU College of Social Work. Her areas of interest include clinical social work, behavioral health and substance use disorders, international social work, gender studies and women's issues, cultural diversity, and criminal justice and corrections. She is a member of the Florida Higher Education Substance Use Consortium.

Carol Campbell Edwards, MSW, LCSW

BSW Program & Professional Development Director, Assistant Teaching Professor, College of Social Work, Florida State University

Ms. Edwards is the faculty advisory for the FSU Power of We initiative, as well as an assistant teaching professor and director of the BSW Program and Office of Professional Development at the FSU College of Social Work. In 2018, Ms. Edwards served as President of the National Association of Social Workers Florida Chapter. On a national level, Ms. Edwards is a consultant for the Youth Law Center-Quality Parenting Initiative. She is a member of the Florida Higher Education Substance Use Consortium.

Heather A. Flynn, PhD

Professor and Interim Chair, Department of Behavioral Sciences and Social Medicine; Director, Center for Behavioral Health Integration, College of Medicine, Florida State University

Dr. Flynn is a clinical psychologist with whose research is focused on improving the identification and treatment of depression in women, especially around the time of childbearing. She is the Chair of the Women & Mood Disorders Task Group within the National Network of Depression Centers.

Krystal Hemingway, DNP

Doctoral Graduate (2021), College of Nursing, Florida State University

Dr. Krystal "Kristi" Hemingway is a graduate of Florida State University, completing her Doctor of Nursing Practice in the Family Nurse Practitioner Program. Her research focuses on "Medical Marijuana in Florida: The Knowledge, Practices, and Attitudes of Providers." She is working with Florida Medical Association physicians in the development of education standards regarding medical marijuana.

Capt. Michael King, PhD, MSW

Administrator, Substance Abuse and Mental Health Services Administration, Region 4

Captain King is a social worker and epidemiologist who has served at the intersection of behavioral and public health for over 15 years. Captain King is routinely deployed to respond to disasters and has had the privilege to lead one of five national Mental Health Response teams (Team 5).
