

HEALTH & WELLNESS SOCIAL WORK FOCUS

The Health & Wellness interest area offers courses for students interested in working in the hospitals, nursing homes, hospices, rehabilitation, outpatient medical facilities, Veteran's hospitals, health care advocacy, and other health care related settings.

SAMPLE COURSES

Please note that these are course suggestions, not requirements for students interested in this area. Course availability varies based on semester, program, and location. Course offerings are subject to change. Students should consult with their advisors for additional guidance about their program of study. MSW students who receive approval from the MSW Program Director may take one elective for degree credit outside the College of Social Work. These suggested courses do not necessarily contain content related to the area of interest, however the content within the course may help to prepare students interested in pursuing a career within the interest area.
