

Traditional MSW/MS Criminology  
Full Time Tallahassee Only

For students who qualify for admission to the MSW Traditional program, the MSW/MS- Criminology program requires 79 hours of course work. Students must choose the clinical concentration for social work courses. Course offerings in criminology include courses such as Prevention and Treatment of Crime and Delinquency and Juvenile Justice. Each student must complete a generalist social work internship as well as an advanced clinical social work internship in a forensic setting. Please remember that this application will require additional materials and supporting documents. Information outlining these requirements can be found at <https://www.criminology.fsu.edu/p/academic-deg-masw-checklist.php>
